Current features

- Card descriptions in markdown
- Sharing with other users/groups
- Labels for better organization
- Due date support

The background of the slide is a monochromatic blue image of a mountain range. The mountains are layered, with some peaks visible above a thick layer of clouds or mist that fills the valleys. The overall tone is serene and contemplative.

What will come next?

The next release

- Attachments for cards
- Assign users to tasks
- Integration with Nextcloud comments

Future

- Integration with Nextcloud CalDAV
- Import/Export feature
- Integration with Nextcloud Notifications
